our MISSION

MIAN focuses on understanding, advising and executing **quickly**. We **customize** precisely, turning complex requirements into clear, tailored **results**, paying close **attention to detail** and elevating every project to meet our client's expectations.

our VISION

MIAN will become a leading solution for **high-end projects**; Offering **express services** and tailoring our work to our client's needs by employing a deep **understanding** of their lifestyle and business.

our PURPOSE

MIAN turns every request into a **lasting solution**. Custom designs, products, and spaces **crafted around your needs**.

Our Values

Client Insight

We start by listening. We take time to understand each client's needs, lifestyle and context before giving any suggestion.

Agility

We respond quickly, adjust with ease and keep projects flowing, always standing behind the quality of the work we deliver.

Craftsmanship

We care about how things are made. From upholstery to finishing, we ensure precise execution and long-lasting quality with trusted materials that meet our standards.

Efficiency

We look for intelligent ways to achieve impact: clear processes, organized workflows and minimal friction for the client.

Clear Space

The logo has been geometrized and proportioned to ensure consistency across all applications.

A clear space area has been defined around the logo to preserve legibility and visual integrity at all times. No other graphic elements should be placed closer than the distance defined by M.

MIAN

Logo Variations

The logo variations allow MIAN to adapt across different applications while preserving its identity, ensuring clarity, consistency and recognizability in every context.

Print

The following measurements indicate the minimum sizes allowed for printed reproductions of each logo variation to ensure legibility and visual integrity.

Incorrect Usage

To protect the integrity of the MIAN brand, the logo and brand symbol should not be altered.

Do not change its proportions, colors or orientation, add effects, or place it over busy backgrounds.

Always respect the defined clear space to ensure legibility and consistency across all applications.

The image shows the front cover of a book. The spine is made of a brown material with a fine, diagonal ribbed texture. It features a series of small, dark, rectangular raised bands along its length. A horizontal band of a lighter, greenish-yellow material with a similar ribbed texture runs across the middle of the cover. The background of the cover is a solid, light cream or off-white color.
